Prep

- Download and print Christmas Light Search PDF. Place on clipboard.
- Use a pen or stickers to mark off each one you see.
- Plan your route to see all the best lights: www.lightenupcalgary.ca

Ideas for How to Play

- Go for a drive and let the passengers check off items.
- Play various Bingo patters - 1 or 2 Lines, Frame, T, Full House, etc. Print extra sheets to play over and over again.
- Make it a photo scavenger hunt - snap a photo of each one you see!
- Split into groups, set a time limit, and see which team finds the most.
- Make it more difficult and only check off ONE item per house.
